4. **Overall Performance:** The candidates are expected to have a minimum 75% of score at the end of the course.
5. **Codekata:** The candidate must have record of submitting minimum 250 Problem
6. **Cumulative Test:** Candidates are expected to score a minimum 75% in the cumulative test.
7. **Job Based Resume:** Candidates are expected to have separate Job -based resumes.
8. **Final Project and evaluation:** Submission of final project and the project evaluation has to be completed to get the placement support.
9. **Mock Interview:** Candidates are expected to 3 mock interviews with minimum 7.5 ratings.
10. **Placement Prerequisites:** Candidates completing the prerequisites such as placement assistance form and affirmation letter will only be considered for the placement support.

Responsive Profile:

1. Apart from the daily tasks, the candidate should complete a minimum of hands-on Projects on Data Science with all the checklists satisfied.
2. The applicant should create a good and responsive portfolio under the guidance and approval of the ZEN - HR team.
3. The portfolio and resume should be updated regularly as per current standards.

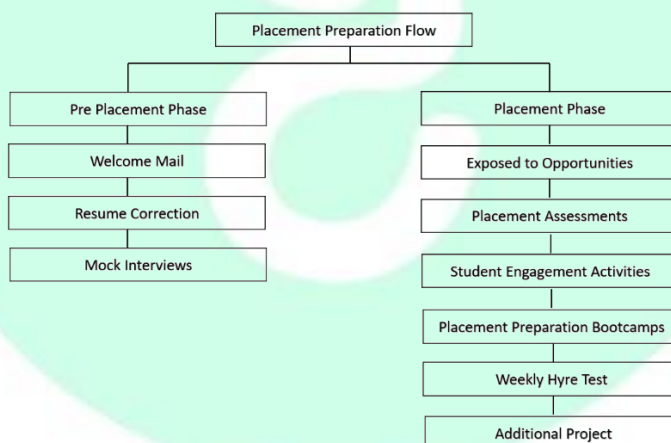

Basic Requirements for Resume:

1. **Contact Info:** Name, Contact Number, Email ID, GitHub Link (mandatory) and LinkedIn Link.
2. **Education:** Starting with GUVI IIT-M Certified Advanced Programming Professional & Master Data Science continued with your highest education.
3. **Experience:** Mention your work experience if any, supported with the 3-5 Roles and responsibilities.

4. **Internship:** Fresher's may mention your internship experience/project done during your course.
5. **Projects:** Mention all your projects along with the project title and also mention minimum 3-5 points about the project (High lights) and paste the Project link below.
6. **Certification:** Mention the certification completed during the course and graduation period.
7. **Skill Set:** It is very mandatory to mention all the technical skills & non-technical skills that you have learnt till date. Note: Kindly give more weightage to technical skills.
8. **Additional Projects:** Candidates can include additional and relevant projects in the resume according to job requirements.
9. **Reformatting of Resume:** You should strictly reformat the resume according to the Job description by updating it according to relevant projects with highlighted skills.
10. **Role-based:** Candidates are expected to have separate role -based resumes.

Note: For Fresher's the resume should be in one page and for experienced it may be maximum of two pages and not more than that.

Placement Opportunities & Flow:

1. Placement process will begin once candidates complete the course and all prerequisites in the pre placement phase.
2. Opportunities will be shared only to placement eligible candidates.
3. Candidates are expected to register only to relevant and matching requirements.
4. All the placement preparation sessions, student engagement activities, placement assessments and weekly hyre tests are mandatory to attempt.

5. The candidate will receive interview opportunities for **an active period of 1 year** with 50+ Placement opportunities for candidates to get placed as placement is extra support which we are providing beyond the course.
6. If the candidate is taking a break for some legitimate reason, then placements will extend for one year.
7. If a candidate is inactive for a period of 6 months without any official intimation to the placement team, the placement guidance will be freeze.
8. Even if the candidate is specific about the location or package, he/she will be receiving all the requirements on board from the placement side.
9. Once a learner accepts an offer, he/she will not be eligible for the rest of the placements. If the learner is really not satisfied with the work culture/alignment, then the candidate will be eligible to apply for another opportunity only after the consent of the placement committee and hiring team along with the approval of the management.
10. In any exceptional cases where the student is unable to accept the offer, the placement committee will add the learner back to placement phase only when the reason is permissible with thorough investigation
11. Under all circumstances, candidates should maintain 100% attendance in all the interviews besides the duly completed tasks for that company.
12. After every interview, the candidate is expected to share the list of questions faced by him/her in the interview for further guidance and training purposes & fill the interview feedback form mandatorily after every round of interview.
13. The candidates who are in placements are expected to be very active in their mails & calls as the opportunities and placement updates will be communicated via email and calls.
14. The companies will take a minimum 1-2 weeks of time period to start the selection process hence the candidates are expected to have decent level of patience until the company response.
15. The candidates once applied to the company must have to hold back for the response. As the interview process and the time involved in responses depends upon the respective Company.
16. The candidates in the placement cell will be given a chance to apply for multiple opportunities until the candidate receives their final offer from the company.

Suspension and Termination

1. **Interview Conduct:** Failing to show up for an interview or being caught up in malpractice during an interview, will result in suspension from placements.
2. **Act of Negligence:** If the candidate fails to attend the call from the company/ placements team for more than 2 times while in the process of interview phase the profile will be on hold for a certain period of time.

3. **Negligence of responsibilities:** After applying for an opportunity- If the candidate is found not completing a task /test/assessment given by the company or not showing up for interviews more than two times, and then he/she will be suspended from placements. If the same is repeated, the candidate will be terminated from the placement.
4. **Irresponsible behaviour:** Applying for a job and then failing to show up for it for unknown reasons, will result in the applicant's suspension.
5. The candidate, who declines an offer from a company without a valid reason, will not be eligible to avail placements and will be terminated.
6. If he/she fails to pursue the previously mentioned criteria, the applicant will be suspended/terminated from the placement process for a month or altogether, based on the situation
7. **Communication Protocol:** The candidates are not allowed to contact the company's POC directly without the knowledge of the placement team and the GUVI team Coordinators.
8. **Professional Conduct:** A candidate will be terminated if we discover that they have been unprofessional in their interactions with the companies, sent irrelevant emails or messages, or otherwise behaved unprofessionally.
9. **Process Feedback:** Any process related concerns/feedback about your profile it must be only reported to the Placement Team
10. **Salary Etiquette:** The candidate can mention the offer in hand or CTC to the interviewer but is expected to be polite. We will provide necessary assistance on this to the aspirants during behavioural sessions.
11. **Unprofessional behaviour:** If a learner is not responsive after receiving the offer letter will be terminated from the placement as that offer might be helpful for some learner.
12. Such an act will lead to miscommunication with the company and it will also impact other candidates who are attending the interview with the certain company.
13. During the placement phase, any candidate who is found to have acted in an unprofessional or disrespectful manner toward the placement team may face suspension or termination.
14. **Performance improvisation Guideline:** If a student fails, consecutively, five times in the first technical round (task), he/she will be kept on hold till they get ready for the placements. There upon, after the feedback of the respective mentor, the candidate will be forwarded to the placement process, when ready.
15. Above any termination scenarios, there will not be any response in regards to the placement or placement opportunities until the termination period.

Behavioural Expectation:

1. **Communication Guidelines:** If we notice any irregular modes of communication, such as establishing WhatsApp groups or other types of social media groups, or keeping track of other learners' connections via social media platforms like WhatsApp, LinkedIn, Facebook etc., the profile will be terminated from the placements.
2. **Formal decorum:** There should not be any personal mode of communication to mentors anywhere such as LinkedIn or any other portals, as the communication should be passed only through the coordinators or in the sessions.
3. The concerned candidate should only approach the internal tech mentors or placement coordinator if they have any queries/doubts.
4. **Code of Conduct:** Throughout the course, it is important that you maintain an attitude of obedience. Disrespectful language or misconduct directed towards the mentors or the GUVI Zen team will not be accepted, and it will result in termination.
5. **Behavioural Conduct:** The candidates are expected to have a polite and positive attitude towards the placement process and with both placements team, tech mentors and Zen Coordinators.
6. **Prompt Response:** Candidates in the placement phase are expected to be active and prompt in mails and calls as this will be the communication mode to update regarding the company opportunities or interview process.
7. **Mandatory Placements Attendance:** The candidates are expected to give 100% participation in all placement preparation sessions, placement assessments and student engagement activities.
8. **Adherence to deadlines:** The candidates are insisted to apply or submit any response related to opportunity, tasks/assignments/test within the given deadline.
9. **Act of Violation:** If we find any learner is not following the mentioned points in this letter, he/she will be completely terminated as it is considered as Data Violation.
10. **Positive Attitude:** We are expecting a fair and learning attitude and mutual cordial relationship the Between learners and the team throughout the journey.

Hereby, I hereby affirm that I will follow the guidelines and limitations of GUVI's Placement Affirmation Letter and that, going forward, I will not break any of the points listed. I declare that I am giving my consent voluntarily and not in reaction to compulsion or persuasion.
